Facial treatments

NATINUEL - OUT OF LOVE FOR BEAUTY

Firmin – intensely firming and lifting treatment with filling effect

Intensive treatment for all women who expect immediate filling, firming and lifting effect. This treatment is also suitable for dry, delicate skin. It increases skin density, improves skin tone, firmness and flexibility. It also oxidises the skin.

Price: 300 PLN

Hydra – intensely hydrating treatment for dry, dehydrated and chapped skin

Intensely hydrating treatment for dry, dehydrated and chapped skin. It immediately hydrates the surface of the skin and after a series of treatments deep hydration is improved. It enhances regeneration of hydro-lipid film, visibly reduces skin dryness, improves cohesion of cells, regenerates and strengthens skin's barrier. It provides visible effects for rough, cracked and reddened skin.

Price: 280 PLN

HOMEO – treatment for sensitive skin prone to inflammations and couperose

Homeo in a unique way affects different biochemical mechanisms which are the causes of both vascular as well as neurogenic inflammations. HOMEO is an innovative treatment which targets the problems and allows to normalise the condition of sensitive skin prone to inflammations and with couperose. It relieves inflammations in acne rosacea.

Price: 300 PLN

Mando system – exfoliation, smoothing

Treatment with Almond Peeling for every skin type. It may be successfully used by people sunbathing or getting tan in solarium, with mild acne, tendency to discoloration or intolerance to other treatments with acids. It may be done throughout the year also during summer without the risk to sensitise the skin to sun or to get discoloration in the case of people with high phototype. It ensures luminous, radiant complexion.

Price: 260 PLN

Interactive system – biostimulation, rebuild

Rebuilding and thickening treatment designed for skin aging in a mild degree or as a prevention for every skin type with effects comparable to medical treatments. When skin loses its firmness and elasticity, the architecture of the face changes and this is the right time for intense therapy with complete restoring action such as this treatment. It has antioxidant effect and increases bio-protection of cell membranes.

Price: 230 PLN

Relax spa RITUALS

Coconut Ritual – harmonising cocoa-coconut ritual with massage

Składa się z kokosowego peelingu ciała, odmładzającej glinki ghassoul i nawilżenia skóry kremem kakaowym.

Recommendations:

- dry, sensitive, delicate skin
- feeling of stress and overwork
- nervousness, sleeplessness

Price: 240 PLN

Cherry Ritual – revitalising ritual with cherry blossom

It consists of cherry body peeling, partial massage with shea butter, moisturizing mask with green clay.

Recommendations:

- dry skin lacking vitality
- tendency to lose firmness, cellulite
- feeling of stress, overwork, lack of energy

Price: 240 PLN
